Shanda Sanders

I am a graduate of Noblesville High School, where I earned 11 varsity letters in Cross Country, Basketball and Softball. I then attended the University of Dayton, where I was a member of the women's rugby team. I won a National Championship in 2003, the year I graduated with a degree in Sport Management. While at Dayton I worked three years in the sports marketing department, working events such as the Atlantic 10 Men's Basketball Tournament, NCAA Opening Round game, and NCAA Women's Sweet 16 tournament. I went on to work for a AAA Minor League Professional football team, where I was the Operations Manager. After that I was a substitute teacher for Noblesville Schools before become an instructional assistant at Noblesville Middle School. I was an aide for two years while I completed Indiana Wesleyan University's Transition to Teaching program. During this time I continued to do stats for two different semi-pro football teams for a total of 5 years. I also was a volunteer assistant basketball coach at Noblesville for a year, then the varsity assistant basketball coach at University High School for 2 years, as well as the NMS 7th grade softball coach for 1 year. I finally landed a full time teaching job here at Noblesville High School. I have been teaching physical education, swimming and health for 3 years now. I have also been the girl's head JV basketball coach for 2 years, girl's freshmen assistant basketball coach for 1 year, JV assistant softball coach for 1 year and JV head softball coach for 2 years. I'm also a huge Cubs, Colts and Notre Dame fan!
